

*Welcome to **Sanctuary**...*

Our Mission: To empower and inspire women through compelling and provocative stories, educational content and engaging works of art.

Our Vision: To create a global, interactive community in which women are connected, celebrated, and empowered to live their best lives.

We are more than an international digital publication for women. We are a destination for readers seeking beauty, peace of mind and inspiration. **Sanctuary** is a quiet space where women can appreciate culture, meet inspiring people, explore important topics, and share ideas and stories. Our goal is to be an oasis for mindful living, where women can find enrichment and renewal for body, mind and soul. Our promise is to always be a beacon of truth and intelligence with which to find our best selves.

CONTENT

Each month, *Sanctuary* is refreshed with new content, including intelligent articles and commentary, in-depth interviews, and world-class art, book excerpts, poetry, photography, music and more. We also post new videos, blogs and other content throughout the month.

Primary Focus:

Interviews with women artists and women who make a difference in their local or global communities as well as important articles about women’s health and wellness are essential components. Additional content concerning inspirational travel, career journeys and personal finance are also included. In light of the fact that we boast community inclusion, a popular, interactive section allows readers to share inspirational stories/photos and receive personal feedback on a variety of topics from a panel of experts.

READERSHIP

Every month, more and more women are finding themselves at *Sanctuary*, and the most important statistic to note is that THEY STAY.

Sanctuary's inclusive vision has garnered a community of active and loyal readers who regularly send us inspirational stories, comments, photos and detailed feedback about our features and articles. This consistent and welcomed engagement with our audience makes *Sanctuary* a special place where readers feel they intimately belong.
